

To All Elementary Parents,

I would like to welcome you all to the new 2008-2009 school year. We are planning another year filled with lots of activities and fun. The following list is a request for donation and if parents cannot afford to buy these items they are not obligated to do so. We would like the following items brought to school during the first 2 months of the school year;

**ALL ELEMENTARY STUDENTS:**

- ❖ *1 set of extra clothes (underwear, shorts, t-shirt and socks. When your child has had a change of clothes, the bag with dirty clothes will be sent home. Make sure you return another set to the school. At all times we should have 1 set of clothes here for emergencies.*
- ❖ *1 (12 pencils) box of **number 2** pencils. Please try to get the wooden pencils.*
- ❖ *2 MEAD composition books (plain marble, no picture and, good quality)*
- ❖ *3 rolls of scotch tape...the dispenser refill type.*
- ❖ *6 cans of 100% frozen juice please. This will be for lunch the first couple of weeks. We will supply the juice after that.*
- ❖ *2 reams of **regular copy paper**, we use this paper for coloring, painting and making copies.*
- ❖ *2 boxes of Kleenex.*
- ❖ *1 roll of paper towels.*
- ❖ *1 roll of aluminum foil or Saran Wrap.*
- ❖ *2 boxes of zip lock bags quart or sandwich size.*
- ❖ *5 pads of small square graph paper*
- ❖ *1 box of paperclips*
- ❖ *1 bottle tempura paint (washable) (Red, Yellow, or Blue)*
- ❖ *1 very inexpensive palette of water colors.*
- ❖ *Small and medium sized post-it notes...sticky notes.*
- ❖ *1 box of standard sized staples.*

We do appreciate these donations to our school.

All these items will be given to the teachers and they will distribute when needed. Make sure your children know the supplies are shared with the whole class. All children will be given a plastic envelope to take home papers. This envelope needs to be returned every day. If your child loses the envelope you can purchase one for \$1.00 or buy one yourself.

For all students who are enrolled in the Charter School we would also like to ask for a \$75.00 donation to buy supplies for the classroom for the rest of the school year. Donations are accepted throughout the year to help the class room budget so that the children can do special projects like cooking, gardening and arts and crafts.

Thank you so much for all your support,

Ms. Fun and Ms. Melinda
