

Dear Parents:

We have a new school pizza year and the prices have changed. The prices have changed for the following reasons:

1. The cost of ingredients.
2. Pizza slices are larger.
3. Last year we lost money on the pizzas.

We understand that it can be expensive for larger families. This year, if you have 3 or more siblings you can order 1 lunch with 3-slices or 4-slices. For example, if you have 3 children, each ordering 1 slice, you can pay the 3-slice price of \$5.50 or 4 slices for \$6.50 instead of 3 separate orders totaling \$10.50

If your family needs 8 slices, there is a special "box price" of \$11.00.

This offer is only available for 3 or more siblings.

Any proceeds from the pizza fund are used for the children's field trips. In the past, our more expensive or overnight trips have been partially funded by these proceeds.

Thank you for participating in our Wednesday pizza lunch this year.

Sincerely,

Upper Elementary Class
