

To All Elementary Parents,

I would like to welcome you all to the new 2010-2011 school year. We are planning another year filled with lots of activities and fun. The following list is for supplies that each student needs to bring in by the 1<sup>st</sup> week of school.

**ALL ELEMENTARY STUDENTS:**

- ❖ *1 set of extra clothes (i.e. underwear, shorts, t-shirt and socks). Please send to school in a gallon size ziplock bag with your child's name on it.*
- ❖ *1 (12 pencils) box of **number 2** pencils. Please try to get the wooden pencils.*
- ❖ *2 MEAD composition books (plain marble, no picture and, good quality)*
- ❖ *2 reams of **regular copy paper**, we use this paper for coloring, painting and making copies.*
- ❖ *2 boxes of Kleenex.*
- ❖ *2 rolls of paper towels.*
- ❖ *2 plastic envelopes for the "going home folder" with Velcro closing with their name on it.*
- ❖ *5 pads of small square graph paper*
- ❖ *1 bottle tempura paint (washable) (Red, Yellow, or Blue)*

We do appreciate these donations to our school.

All these items will be given to the teachers and they will distribute when needed. Make sure your children know the supplies are shared with the whole class.

For all students who are enrolled in the Charter School we also require a \$100.00 donation to buy supplies for the classroom for the rest of the school year. This fee is due the first week of school and will pay for the monthly cook – a- lunch, gardening supplies and other classroom consumables like, paper cups, lunch dishes etc. This year we will **not** supply juice for lunch so make sure you send a drink with your child in his/her lunchbox. If they do not bring a drink they will be able to get purified drinking water.

Donations are accepted throughout the year to help the class room budget so that the children can do special projects like cooking, gardening and arts and crafts.

Thank you so much for all your support,

Ms. Fun and Mr. Mike
